PEACE

A true builder of peace is one who takes the first step toward the other. This is not weakness but strength, the strength of peace. How can the wars in the world end if we are not able to overcome our small misunderstandings and quarrels? Our acts of dialogue, forgiveness, reconciliation, are the “bricks” needed to build the framework of peace. (5/11/15)

SCHOOL — PARISH CONNECTION

St. James School has a phenomenal 5th-8th grade Track and Field team! We had a great days at the Championship Meets! The JV girls won their division and the boys took 4th place. Combined St. James School had enough points to WIN the JV Co-ed Championship Pennant! To top off a great day, Jada Dwyre (6th grade) broke not only the St. James School record in the 200 hurdles, she also broke the PAL record. The JV girls 4x100 relay of Lucia Adiego, Jada Dwyre, Reece Barbosa, and Sarah Montano followed suit and broke both the school and PAL record. It was amazing to witness PAL records falling! Our Varsity Track and Field team is equally as amazing! They had a dynamic finish to the season. The boys won the Varsity title. The Varsity girls took 2nd place with only a 4.5 point differential between the 1st place team and the 2nd place team. Our Varsity team won the combined Championship. Colin Marks (8th) took the boys MVP title for his final time as a St. James student. Madison Pelfrey (8th) was the 2nd highest point earner of the championship and Anne Rodriguez (8th) was the 3rd highest earner. Congratulations to our JV and Varsity Track and Field teams! It was incredible to win both JV and VARSITY CO-ED PENNANTS! Thank you to Coaches Sara Marks, Rob Dewar, and Tiffanie Synnott! You have truly inspired these hardworking athletes.

LITURGICAL TIDBIT

By Fr. Joshua Sia

The Holy Oils

Once a year a Chrism Mass is held, (April 11 for our diocese) as part of the preparation for the high point in the liturgical life of the Church: Holy Week and Easter. Our priests in the diocese renew their priestly vows and the bishop also consecrates the Holy Oils to be used for the sacramental life of the Church for that year. The oil that we commonly use is olive oil. Why olive oil you may ask? Throughout Scriptures, various references indicate the importance of this oil in daily life. Oil was used in cooking, particularly in the making of bread. Oil is used as a basic food substance for nourishment, as a fuel for lamps, and as a healing agent in medicine. Moreover, with oil, the ancient Jews anointed the head of a guest as a sign of welcome, to beautify one's appearance, and prepared a body for burial. In religious practices, the Jews also used oil to offer sacrifices, to dedicate a memorial stone in honor of God, to consecrate a meeting tent, the ark of the covenant, the table, the lampstand, the laver, the altar of incense, the altar of holocausts, and it was also used in the anointing of a king—more significantly, King David. Therefore, the symbolism of oil in our tradition is very rich; sanctification, healing, strengthening, beautification, dedication, consecration, and sacrifice.

Environmental Justice

“Living our vocation to be protectors of God's handiwork is essential to a life of virtue; it is not an optional or secondary aspect of our Christian experience.” (Laudato Si, # 217)

There are no doubt many things we associate with living a virtuous life that will be pleasing to God. But how often do we think of Care for God's Creation as being one of them? God has given us the task of stewarding and protecting the planet. Will we be able to receive God's reward as good stewards? How can we each do better? Think this week of ways to bring Resurrection to the earth itself.

Lighthouse CD Kiosk

The Lighthouse CD Kiosk offers audio CDs, and books help us to grow in our Catholic faith and to share our faith with others. A suggested donation of \$4 per CD or \$10 for 3 CDs and \$5 for books can be placed in the donation slot. Please make checks out to: St. James Church. The kiosk is located in the vestibule of the church.

Any questions, please contact Joan Bibbens at sjlighthouse@sbcglobal.net

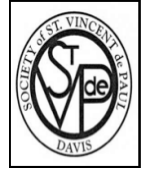

St. Teresa of Avila (Quiet Waters)

The Truth to Inspire Series offers children captivating dramatizations of the lives of saints and well-known Marian apparitions to teach them about the Catholic Faith. St. Teresa of Ávila had a fiery personality as a young girl and was often distracted by the world. Despite many temptations, she grew up to be a powerful influence on the Catholic Church. Her determination to follow God's will is an inspiring example for both the young and the old.

The Vincentian Corner

May 19— 5th Sunday of Easter

In the Gospel today, Jesus says “I give you a new commandment: love one another ...

This is how all will know that you are my disciples, if you have love for one another.”

To love all our needy brothers and sisters and to advocate for them the grace of a good life is a key principle of Vincentian spirituality. The “Voice of the Poor,” the Society's advocacy wing speaks out for those in need by promoting systemic change. Pope Francis has said, “Let us pray that God grant us the grace of knowing a world where no one dies of hunger.” St. Vincent de Paul wrote, “Since Christ willed to be born poor, he chose for himself disciples who were poor. He made himself the servant of the poor and shared their poverty. He went so far as to say that he would consider every deed which either helps or harms the poor as done for or against himself. Since God surely loves the poor, he also loves those who love the poor. For when one person holds another dear, he also includes in his affection anyone who loves or serves the one he loves.”

Memo from James Cavanagh, Director of Worship

Many have asked when the flu restrictions will be lifted. We base our decision on the influenza surveillance report issued by the California Department of Public Health (CDPH) each Friday.

According to the latest report:

- Flu activity is decreasing but remains elevated and "widespread" in California.
- Several more weeks of flu activity are expected.
- The restrictions will be lifted when Influenza-like illnesses (ILIs) have dropped below the critical threshold of two standard deviations above baseline for two consecutive weeks.
- I expect the restrictions to remain in place for a few more weeks.

Thank you for your
patience and understanding.

Fifth Sunday of Easter May 19, 2019

Behold, God's dwelling is with the human race.
-- Revelation 21

GOD IS NEAR

"Behold, I stand at the door and knock; if any one hears my voice and opens the door, I will come in to him and eat with him, and he with me." This quote from the book of Revelation is always valid, not only for the end times but throughout time. One of the ways He calls us to Himself is through Adoration. We have the choice to answer His call or not; if we respond by the act of adoring Him through Adoration, He will be with us and we will be changed from that encounter. As Pope Emeritus Benedict Emeritus XVI said in a papal letter in regard to Adoration: "Let us be generous with our time in going to meet Him in adoration and let our adoration never cease."

Jesus is our life, love, and all; the celebration of the Eucharist is the source and summit of the Catholic life. Without the Eucharist the church would wither. Our Parish is fortunate enough to have available hours of Adoration on Mondays and Thursdays.

Memo de James Cavanagh, director del Culto

Muchos han preguntado cuando se terminan las restricciones del flú. Nosotros basamos nuestras decisiones en el reporte del Departamento De Salud Publica que se publica cada viernes.

De acuerdo a la última publicación:

La actividad del flú ha disminuído pero sigue elevado y esta extendido en toda California.

Se esperan varias semanas más de actividad del flú.

Las restricciones se van a cancelar cuando los niveles críticos desminuyan por dos semanas consecutives.

Creo que las restricciones van a permanecer por varias semana más.

Gracias por su comprensión y paciencia.

LEGADO DE FE

Queremos darle a nuestros hijos lo que nosotros no tuvimos; pero debemos estar seguros de darles aquello que sí era nuestro: la fe.

--Anónimo

TRADICIONES DE NUESTRA FE

El primer día de mayo es reconocido como el día mundial del trabajo y conmemora seis mártires de Chicago, quienes fueron fusilados en 1886 cuando la policía trató de impedir una pelea campal durante una huelga de obreros. Curiosamente esta fecha no es reconocida por los Estados Unidos pero sí por muchos países latinoamericanos. En 1954, el Papa Pío XII apoyó los derechos del obrero incluyendo a san José Obrero en el calendario cristiano. Esta fiesta celebra y recuerda la doctrina social de la Iglesia católica, una doctrina que insiste que: El mensaje cristiano no aparta a las personas de la edificación del mundo, ni les lleva a despreocuparse del bien de sus semejantes, sino que les impone esta colaboración como un deber (Gaudium et Spes 34).

Es justo conmemorar a san José como obrero en el día mundial del trabajado, porque este santo varón nos recuerda que al trabajar uno colabora con Dios en la creación continua del mundo y de la humanidad. El trabajo no sólo es derecho humano es una responsabilidad que se debe tomar con amor al prójimo.
